+-----

New York State law now permits the support collection unit (SCU) to enforce your legal obligation to pay child support by suspending your driver license, your professional and occupational licenses, and your business licenses if you do not pay your arrears. This law applies to both licenses you currently hold and those you may wish to obtain.

If you have failed to make payments in accordance with a child support order or a child support/spousal support order, any license issued to you by the State of New York may be suspended or denied. If you pay your arrears, you will not be subject to these laws. Please check the enclosed billing statement to find out if you owe arrears.

To ensure proper credit of your payment, enclose one of the coupons provided with your billing statement. Send your payment to the address noted on the coupon.

ANY INQUIRIES REGARDING THIS NOTICE MUST BE DIRECTED ONLY TO THE SCU ADDRESS SHOWN IN THE UPPER LEFT HAND CORNER OF THE BILLING STATEMENT.

Sincerely,

Supervisor, SCU
