### I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to advise local departments of social services (LDSSs) of the availability of federal funds through the American Rescue Plan Act of 2021: Grants to Enhance Adult Protective Services administered by the Administration for Community Living (ACL). The federal ACL has made available one-time funding in the amount of \$4,864,372 to New York State for use from August 1, 2021, through May 31, 2023. This LCM provides information on each LDSS's allocation (Attachment A) from the remaining funds, how the funds can be used, and annual reporting and claiming requirements.

### II. Background

These funds are being made available to states to provide resources to enhance, improve and expand adult protective services' (APS) ability to investigate allegations of abuse, neglect and

exploitation. New York State Office of Children and Family Services (OCFS) recently surveyed the districts to ascertain the current needs and services of vulnerable adults in their LDSSs as well as their staff's needs. The survey identified the following needs and services: the need for additional/temporary staff; additional personal protection equipment; the use of tele-health services; and tangible services for clients, such as rental assistance, transportation, and food and meal delivery.

### III. Program Implications

LDSSs can only use the funds for the allowable expenditures noted below. LDSSs will be required to sign an attestation (Attachment B) indicating how they will use the funds in accordance with the allowable identified expenditures of the federal grant. LDSSs must also attest that they will not use their allocation to supplant any New York State (NYS) APS funds and that the funds will only be used to supplement existing state and LDSS APS resources. OCFS may reallocate any unspent funds from an LDSS to other LDSSs that have claims that exceed their allocations. Funds can be used from August 1, 2021, through May 31, 2023.

Completed attestations (Attachment B) are due to Shelly Fiebich ([Shelly.Aubertine-Fiebich@ocfs.ny.gov](mailto:Shelly.Aubertine-Fiebich@ocfs.ny.gov)) by **April 11, 2022**.

The funds may be used for the following purposes:

- Establishing or enhancing the availability for elder shelters and other emergency, short-term housing and accompanying “wraparound” services for APS clients
- Establishing, expanding or enhancing state-wide and local-level elder justice networks to remove bureaucratic obstacles and improve coordination across the many state and local agencies interacting with APS clients who have experienced abuse, neglect or exploitation
- Working with tribal APS efforts, such as conducting demonstrations on state-tribal APS partnerships to better serve tribal elders who experience abuse, neglect and exploitation; partnering with tribes within the state to include tribal elder abuse data in the state's National Adult Maltreatment Reporting System (NAMRS); and undertaking demonstrations to better understand elder abuse experienced by Tribal individuals living in non-tribal communities and served by state APS programs
- Improving or enhancing existing APS processes for receiving reports, conducting intakes and investigations, planning/providing for services, making case determinations, documenting and closing cases, and continuous quality improvement
- Improving and supporting remote work, such as the purchase of communications and technology hardware, software or infrastructure to provide adult protective services such as
  - laptops
  - smartphones
  - electronic tablets
  - Wi-Fi hotspots and
  - software to facilitate secure video conferencing and virtual meetings.
- Improving data collection and reporting at the caseworker, local and state levels in a manner that is consistent with (NAMRS)
- Costs associated with establishing new or improving existing processes for responding to alleged scams and frauds
- Costs associated with community outreach
- Costs associated with providing goods and services to APS clients

- Acquiring personal protection equipment and supplies
- Paying for extended hours/overtime for staff, hiring temporary staff and associated personnel costs
- Training costs
- Costs associated with assisting APS clients to secure the least restrictive option for emergency or alternative housing, and with obtaining, providing or coordinating with care transitions as appropriate; these funds can be used to temporally assist an APS client in securing housing services with a Family-Type Home for Adults

Any prospective equipment purchases \$5,000 or more **per unit** must receive **prior** approval from OCFS and ACL per 45 CFR 75.320(a)(2). Equipment refers to tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost that equals or exceeds the lesser of the capitalization level established by the non-federal entity for financial statement purposes, or \$5,000. Each district is required to forward to OCFS any proposed equipment purchase costing \$5,000 per unit or more using Attachment C.

When submitting equipment purchase requests using Attachment C, the following information is required:

- Identification of and cost of purchase
- Purpose and intended use of the proposed purchase
- Market research completed (i.e., obtaining bids, assessment of lease vs. purchase)
- Efforts to adhere to “Buy American”

Equipment purchase requests (Attachment C) should be submitted directly to OCFS. OCFS will review and approve or disapprove the purchase request. If approved, then OCFS will provide the purchase request to ACL for review. Once OCFS receives the response from ACL, the LDSS will be contacted immediately by OCFS. Once prior approval is received, districts should then follow their own procurement policies.

#### IV. Annual Reporting Requirements

LDSSs awarded funding need to submit an annual programmatic report that details how the funds were used in accordance with the federal requirements and what challenges and successes they encountered in using the funds. A template and instructions are provided in Attachment E.

Additionally, LDSSs with tribes residing within the LDSS must work collaboratively with the tribes to provide support to those individuals age 60 or older who have an APS need. A list of the tribes and the LDSS they reside in is in Attachment D.

Completed programmatic reports must be emailed to Shelly Fiebich at [Shelly.Aubertine-Fiebich@ocfs.ny.gov](mailto:Shelly.Aubertine-Fiebich@ocfs.ny.gov) as instructed in Attachment E.

#### V. Claiming Requirements

There is \$4,044,272 in federal funds for expenditures related to the implementation of the American Rescue Plan Act of 2021: Grants to Enhance Adult Protective Services. Claims for these funds must be submitted as described below. These funds are to be used only to

reimburse expenditures beginning August 1, 2021, and ending May 31, 2023, and final accepted in the Automated Claiming System (ACS) by July 29, 2023.

Expenditures for the Adult Protective ARPA project should be claimed through the RF17 claim package for special project claiming. These costs are first identified on the RF2A claim package as F17 functional costs and reported in the F17 column on the LDSS-923, *Cost Allocation Schedule of Payments Administrative Expenses Other Than Salaries* and the LDSS-2347, *Schedule D DSS Administrative Expenses Allocation and Distribution by Function and Program*. After final acceptance of the RF2A claim package, the individual project costs are then reported under the project label Adult Protective ARPA on the LDSS-4975A, RF17 Worksheet, *Distribution of Allocated Costs to Other Reimbursable Programs*.

Non-salary administrative costs are reported with the appropriate object of expense(s) on the LDSS-923B, Summary-Administrative (page 1), *Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs*. Program costs should be reported as object of expense 37 - Special Project Program Expense on the LDSS-923B, Summary-Program (page 2), *Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs*.

Total project costs should be reported on the LDSS-4975, *Monthly Statement of Special Project Claims Federal and State Aid (RF-17)* as 100% federal share. For each LDSS, the expenditures reported for the Adult Protective ARPA will be reimbursed up to the amount of the district's allocation.

Further instructions for completing the time studies, Schedule D, and RF17 claim package are found in Chapters 4, 7 and 18, respectively, of the *Fiscal Reference Manual (FRM)*, Volume 3. The FRM is available online at <http://otda.state.nyenet/bfdm/finance/>.

**Attestation of Use of Administration for Community Living (ACL)**  
**American Rescue Plan Act of 2021: Grants to Enhance Adult Protective Services**

This is to certify that \_\_\_\_\_ local department of social services (LDSS) will use the allocation of the American Rescue Plan Act funds authorized in the amount of \$ \_\_\_\_\_ to enhance, improve and expand the ability of the LDSS's Adult Protective Services ability to investigate allegations of abuse, neglect and exploitation, as indicated below. Additionally, we will work collaboratively with any tribe residing within our district to implement this funding, as warranted.

Such funds will not be used to supplant any other state or local funds and the funds will only be used to supplement existing New York State and LDSS APS resources. Claims for reimbursement under this appropriation will not be submitted for the same type and level of funding covered by any other state or locally authorized appropriation.

**Plan for use of funds – check all that apply:**

- 1. Establishing or enhancing the availability of elder shelters or other emergency, short-term housing and accompanying “wrap-around” services for APS clients
- 2. Establishing or expanding/enhancing the state-wide and local-level elder justice networks
- 3. Working with tribal adult protective services efforts
- 4. Improving or enhancing existing APS processes
- 5. Improving and supporting remote work, such as purchasing communications and technology hardware, software or infrastructure (equipment \$5,000 or more needs OCFS and ACL approval)
- 6. Improving data collection and reporting at the case worker, local and state levels in a manner consistent with the National Adult Maltreatment Reporting System (NAMRS)
- 7. Establishing new or improving existing processes for responding to alleged scams and frauds
- 8. Conducting community outreach
- 9. Providing goods and services to APS clients
- 10. Acquiring personal protection equipment and supplies
- 11. Paying for extended hours/overtime for staff, hiring temporary staff and associated personnel costs
- 12. Training costs
- 13. Assisting APS clients with securing the least restrictive option for emergency or alternative housing and with obtaining, providing or coordinating with care transitions as appropriate

**NOTE:** On the following page, LDSSs **must identify which project goals the above selected strategies** will support and **the dollar amount** of the grant allocation that will be **devoted to that project(s)**.

LDSS's must project 2022 ARPA 2 funding allocations to completion of the chart on the following page. **LDSS's should plan on receiving approximately 80%** of the total dollar amount of the two 2021 ACL grant allocations for their 2022 ARPA 2 allocation. **(ARPA 2 = 80% of COVID-19 + ARPA 1). The minimum LDSS allocation for ARPA 2 funding is \$25,000.** The LDSS then must designate that dollar amount to be expended for those project goals that will be supported by each ARPA grant allocation.
