Dear Commissioner Reed:

This letter is to inform you that the child care section found in the administrative component of your Annual Plan Update 2008-2009 was approved on February 5, 2009. The child care section became effective on February 5, 2009.

In order to expedite the approval of the child care section of your Annual Plan Update we have separated your submission of the local equivalent forms from the Annual Plan Update. The local equivalent forms are not approved and will be approved separately. Do not use the submitted local equivalent forms until you receive an approval letter from OCFS related to these forms.

This approval is being issued separate from the approval of other sections of your plan in order to accommodate your county's need to implement the child care services provisions. A letter approving the remaining sections of your plan will be sent upon their approval.

If you have any questions about this approval or the child care section found in your Annual Plan Update 2008-2009 please contact Ms. Amy Ryan, (518) 474-9620 or by e-mail at [Amy.Ryan@ocfs.state.ny.us](mailto:Amy.Ryan@ocfs.state.ny.us).

### APPENDIX G-3

#### III. Reasonable Distance, Very Low Income, Family Share, Case Closings and Openings, and Fraud and Abuse Control Activities (Required Section)

##### Reasonable Distance

Your district is required to define reasonable distance based on community standards for determining accessible child care.

The following defines "reasonable distance": **Within one hour travel time from daycare site to work site or work site to daycare site.**

Describe any steps/consultations made to arrive at your definition: Internal, cross division committee discussions.

### **Very Low Income**

Very Low Income is defined by each district and is used in determining priorities for child care benefits.

**Very Low Income is defined as 165% of the State Income Standard based upon available NYSCCBG funds.**

### **Family Share**

Family share is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The family share of child care is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

**Family Share Percentage amended by our district to 35% as of 9/1/08 (approved by OCFS).  
Family contribution will be re-calculated at time of next contact for all open cases.**

### **Case Closings** *(select one or two)*

1. The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Described below is how the district will select cases to be closed in the event that there are insufficient or no funds available.

#### **Cases will be closed in the following order:**

The district has not established priorities beyond the federally-mandated priorities. If there are insufficient NYSCCBG funds available, Monroe County will close cases by income bands for families which are not eligible under a child care guarantee and are not a federally-mandated priority, beginning with the highest incomes bands. Within each income band, no priority will be given to any particular client population – all cases within an income band will be closed.

- 1) Families whose income is 200%-196% of State Income Standard (SIS)
- 2) Families whose income is 195%-191% of State Income Standard (SIS)
- 3) Families whose income is 190%-186% of State Income Standard (SIS)
- 4) Families whose income is 185%-181% of State Income Standard (SIS)
- 5) Families whose income is 180%-176% of State Income Standard (SIS)
- 6) Families whose income is 175%-171% of State Income Standard (SIS)
- 7) Families whose income is 170%-166% of State Income Standard (SIS)
- 8) Families whose income is 165%-161% of State Income Standard (SIS)
- 9) Families whose income is 160%-156% of State Income Standard (SIS)
- 10) Families whose income is 155%-151% of State Income Standard (SIS)

- 11) Families whose income is 150%-146% of State Income Standard (SIS)
- 12) Families whose income is 145%-141% of State Income Standard (SIS)
- 13) Families whose income is 140%-136% of State Income Standard (SIS)
- 14) Families whose income is 135%-131% of State Income Standard (SIS)
- 15) Families whose income is 130%-126% of State Income Standard (SIS)
- 16) Families whose income is 125%-121% of State Income Standard (SIS)
- 17) Families whose income is 120% - 116% of State Income Standard (SIS)
- 18) Families whose income is 115% - 111% of State Income Standard (SIS)
- 19) Families whose income is 110% - 106% of State Income Standard (SIS)
- 20) Families whose income is 105% - 100% of State Income Standard (SIS)

2. The district has not established priorities beyond the federally-mandated priorities. If all NYSCCBG funds are committed, case closings for families which are not eligible under a child care guarantee and are not a federally-mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time receiving child care services but must be consistent for all families. The district has chosen to close cases based on:

- shortest time receiving child care services
- longest time receiving child care services

### Case Openings

The district must describe below how priority is given to federally mandated priorities and how the district will select cases to be opened in the event that there are sufficient funds available.

**The district will open cases in reverse order of case closings**

### Fraud and Abuse Control Activities

The district must identify below the criteria it will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment and procedures for referring such applications to the district's front end detection system.

MCDHS is using the following criteria for referral for fraud and abuse investigation:

1. Working off the books (currently or *previously*)
2. Application inconsistent with prior case information
3. *Result from Investigation*: Prior history (circle one): denial/case closing/overpayment/IPV
4. No absent parent information or information is inconsistent with application
5. No documentation to verify identity or documentation of identity is questionable.
6. Self-employed but without *adequate business records* to support financial assertions.
7. P.O. Box used as a mailing address *without reasonable explanation*, e.g. high crime area.
8. Children under the age of six (6) with no birth certificates available.
9. Unsure of own address.
10. No income within the last six months.

**The district must decide below its sampling methodology used to determine which cases it will seek verification of an applicant or recipient's continued need for child care including, as applicable, verification of participation in employment, education or other required activities:**

MCDHS will verify continued need for childcare in cases where: the parent is employed by a temporary agency, where the hours vary, where the duration of the educational program or other approved activity doesn't coincide with the daycare authorization period, and/or where the parent is self-employed. MCDHS will attempt to verify a total of approximately 400 childcare cases annually. This works out to be approximately 16% of the total low income caseload. Cases meeting the criteria for review will be referred to the Quality Review Team at intake or at recertification for investigators to verify income and continued need every 2 months.

**The district must describe below its sampling methodology used to determine which child care providers of subsidized child care services they will review for the purpose of comparing the child care providers attendance forms for children receiving subsidized child care services and any child and adult care food program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.**

MCDHS reviews every attendance sheet to compare days attended versus authorizations as well as to check for provider signature, parent fees collected, and any anomalies which would merit further investigation.

Monroe County has approximately 911 child care providers that participate in CACFP. Quarterly, the district will randomly select 72 providers (8%) that participate in CACFP and care for subsidized children. If the child care provider was previously sampled, they will not be counted in subsequent samples. The district will contact the CACFP sponsor to determine the last time the CACFP sponsor conducted an inspection and obtain the names of the subsidized children seen at the inspection. The district will compare the child care provider's subsidy attendance form (date that corresponds with the inspection) with the CACFP inspection forms to verify that child care was actually provided on the days listed on the attendance forms. Monroe County will follow up on any inconsistencies to determine if there was any fraud.

## APPENDIX G-4
