SHEILA J. POOLE
Commissioner

January 21, 2022

Dear Chief Executive Officer,

Thank you for submitting Putnam County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2021-2022. Your entire STSJP plan, including any amounts listed for PY 2021-2022 STSJP-RTA, has been **approved.**

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2022, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2021 to September 30, 2022. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

PART I – MUNICIPALITY LEVEL DETAILS

A. MUNICIPALITY LEVEL ANALYSIS

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS), enter the youth justice system, are remanded to detention, and/or are residentially placed; and
 - Discuss what factors may be contributing to these high numbers:
 - The communities or neighborhoods with the highest number of offenders reside in these zip codes; 10541,10512, 10509, 12563, 10516, 10579
 - Putnam County Department of Social Services along with a Consulting Team did an analysis of our communities from which the greatest number of juvenile delinquents (JD) and persons in need of supervision (PINS) were placed out of home during 2020-2021. Putnam County had one OCFS custody placements in the STSJP program year. Putnam County had one non-secure placed youth in the program year in Putnam County. Putnam County lacks services for youth and transportation. The STSJP program allows Putnam to create programs and transportation services for at risk youth.
- Resources available at the following link can help you answer these questions:
<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>
 - In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan.)

Race/Ethnicity	2019 General Population <18 years		2020 Detention Admissions <18 years		2020 Placement Admissions <18 years	
	#	%	#	%	#	%
Black/African American	665	3	0	0	0	0
White	13,318	70	0	0	0	0
Native American/Alaskan	23	0	0	0		
Asian/Pacific Islander	513	3	0	0		
Hispanic	4,596	24	1	100	1	100

Sex Assigned at Birth	2019 General Population <18 years		2020 Detention Admissions <18 years		2020 Placement Admissions <18 years	
	#	%	#	%	#	%
Male	9739	51	1	100	1	100
Female	9376	49	0	0	0	0

b) If you identified any disparities when comparing youths' representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

There was only one detention and one placement in 2020. These were both Hispanic males. Due to the very small numbers, no trend in disparities can be delineated from such.

B. LOCAL COLLABORATION

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The Youth Bureau, Department of Social Services, and the Putnam County Probation Department met with local agencies, such as Green Chimneys, CoveCare Center and representatives from the local school districts to discuss the programs being offered, whether they are working or not working and what additional services we can provide that would benefit the youth in Putnam County.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development? Some programs offer questionnaires to their families for program feedback. The Youth Bureau Director attends monthly PINS and ISC meetings and is in constant contact with the programs for any feedback about the programs. Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the municipality implementation plan to develop such feedback mechanisms during PY 2021-2022. The questionnaires are received from programs providing insight as to how well the programs are being offered to the youth participants and meeting their needs.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?
 Yes No
 If yes, please describe how the plan incorporates that feedback; if no, please describe the municipality implementation plan to develop such feedback mechanism during PY 2021-2022.
 Putnam County incorporates the feedback in our programs. In this plan we are creating a component for youth who meet with Probation to attend Camp Herrlich for a Mentoring program in the summer months.

8. (a) What outcomes are not on track to meet the goals set for PY 2020-2021? (b) Please describe any contributing barriers.
 Youth were not able to stay in the program as long as we wanted and once September 30th came, youth had to be released from the services.

9. What changes have been made to overcome the barriers identified in Q8, so that the program can achieve its desired goals for PY 2021-2022?
 We are hoping the contract process does not take as long and the youth can start the program sooner. We are also working on two year contracts to keep youth who are enrolled in the program some consistency.

PART III – Goals for PY 2021-2022

Please set the municipality's goals for its programs to achieve in PY 2021-2022. State-required outcomes have been included with space for you to identify what programs in **Part II-Program Details** will serve youth within each service domain. Goals are focused by service type and should reflect the percentage of youth expected to achieve the outcome described. **Note:** Outcomes are only recorded for youth once they have left the program; this may represent a subset of all the youth served during the period. Goals should reflect high, yet realistic, expectations for the programs.
